

...the choice matters

www.matsdirect.co.uk

Coirsyn is a synthetic version of the Natural Coir/Coconut product and is fully compliant with current BS8300 DDA regulations.

Suitable for intricate logo mats and being cut into any shape the edges require no binder as they will not fray.

Coirsyn is a Polypropylene fabric bonded to a re-cycled Rubber and Latex backing.

Suitable for surface mounting as it is only 10mm in thickness or for a Matwell application it is completely weather, insect & micro organism resistant.

Water retention is a superb 7 Ltrs per M2
