

Manufactured from 1 piece solid EVA foam. Tatami Basic with a rice-straw anti-slip embossing finish. Waterjet puzzle precision cut.

Washable, impermeable, anti-fungal, antibacterial and hypo-allergenic.

Water resistant, the basic Tatami tile is ideal to be used for both indoor and outdoor activities.

The monodensity, in addition to the one colour solution, makes the basic Tatami mat an excellent combination between high quality and low price.

The puzzle cut, combined with the low weight offers a very easy and long-lasting installation process.
