Suremat

MD532

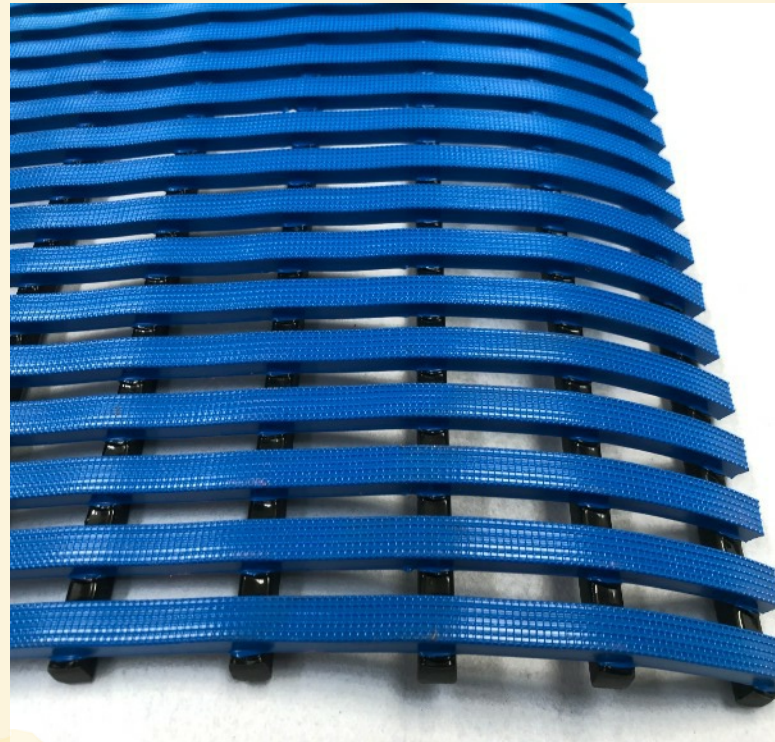

Flex PVC Strip Matting

www.matsdirect.co.uk

Dual strip patterned Suremat flex PVC matting is a 12mm thick flexible floor mat with 90 degree angle strips to achieve a hard wearing, anti- slip aesthetically pleasing look.

This decorative flooring product is suitable for all wet or hygienic areas, as it will not harbour bacterial growth or mould. Flex can be loose laid onto any suitable floor.

Ideal where liquids need to freely flow under the matting surface so that foot traffic can operate safely without contact with the liquid. Great for kitchens, garages, workshops, both indoor and outdoor.
